bella

Fill a bottle - change a life!

Help fill our bottles with coins, cash and checks!

Each year, the money raised from Bella Medical Clinic's bottle campaign helps support women in our community facing unanticipated pregnancies.

The Bottles for Bella Campaign provides free services to moms, dads and babies in Northeast Wisconsin such as:

Pregnancy Test

Ultrasound

Options Counseling

Parenting
Education

Adoption &
Medical Referrals

Post-abortion
Counseling

Material Resources

Here's how it works:

1. A church or other organization volunteers to lead a Bottles for Bella Campaign and obtains bottles from our clinic.
2. Bring a bottle home.
3. Gather donations from friends, neighbors, and anyone else who would like to help.
4. Fill the bottle with the coins, cash, and checks made out to "Bella Medical Clinic." (Or, for your convenience, click on the "Donate Now" button and donate directly online.)
5. Return the bottle on the date your organization designates.
6. Pray for our ministry.

As you participate in this campaign, we know you will feel the blessings of heaven filling your own cup with love, hope and gratitude!
