LaSure's Banquet Hall • Oshkosh, WI

Greetings,

Spring 2024

Bella Medical Clinic has served women, children, and men since 1993 providing accurate information and education on pregnancy options, STD's, reproductive health, and parenting support skills *at no cost*. Over the years, we've helped hundreds of women and men with their physical, emotional and educational needs, empowering them to make informed choices regarding an unplanned pregnancy and inspiring them to choose life for their unborn child.

Compelled by our Christian faith, we employ a compassionate, confidential, holistic approach that honors each person while saving lives and strengthening families throughout our community.

### **We are United for Life.**

Our team of medical and family service professionals support our clients with practical resources and emotional support. Thanks to generous donors like you, all services are free of charge to our clients, regardless of gender, race, income level, or religion.

Bella's annual fundraiser—**Gifts of Grace**—is our largest fundraiser of the year. The banquet helps raise a large portion of our annual budget so that we can provide services to those facing an unplanned pregnancy. Bella receives no government funding and is a 501c3. All donations are 100% tax deductible.

We invite you to underwrite a portion of our banquet costs.

By becoming an underwriter for the banquet, you ensure that the costs for the event are met beforehand so that every dollar raised on the night of the banquet goes directly to the ministry of Bella. Becoming an underwriter also allows you to promote community efforts and provides the opportunity for involvement and partnership with a great cause. We appreciate your consideration of this opportunity to participate and partner with us.

Your support as a banquet underwriter plays a significant role in the continuation of this much needed service for our community.

I've included more information on Bella Medical Clinic and levels of support and look forward to hearing from you – and as always, I am happy to answer any questions.
